Buffalo Tom

Seems like a long time since you've gone
Me, I still sing your lovely songs
I keep my radio on
I keep my radio on

You, you tear my heart out when you snarl
-Don't wanna sing out loud-
Me, see, I'm just a lonely opera-phile
I keep my radio on
I keep my radio on

This isn't the best time for me, I know
Waiting around till after the show
Taking so much time
Just going on and on and on...
To say goodbye

You, you practiced all night for the show
-Singing La Si Do
Do re mi fa so la si do

It keeps my radio on
Keeps my radio on

This isn't the best time for me, I know
-This isn't the best time
Waiting around till after the show
-This isn't the best time
Taking so much time
-This isn't the best time
Taking so much time...

These are the things that I miss the most
The sound of your voice on the telephone
These are the things that I miss the most
Holding your hand in the falling snow
Singing along to the rolling stones
These are the best times
