

Good Girl

Buffalo Tom

I am a good girl
Momma and Daddy
But I disappointed you
Anyway

I was a poor boy
I even tried so hard
But I didn't even know the words I gotta say

Well the sound of dancing feet on the floor on top of me
As I'm standing in the men's room trying hard not to be seen

Well maybe I can be someone this time
Yeah maybe I could be some other guy

Maybe I, maybe I, maybe I can be someone this time
Maybe I, maybe I, maybe I can be someone this time

I wanna share your
Sweaters and lipstick
Brothers and sisters it's the way it oughta be

I was a good girl
I even tried so hard
But I didn't even know the words I've gotta say
