Buffalo Tom

When I sleep is when you rise Get out of bed wipe the sleep from your eyes I shut my eyes all the world drops dead Now's the time friend of mine With a passage to A passage from Your daily missal We taught that Cat to crawl When I sleep is when you rise Get out of bed wipe the sleep from your eyes My heart and soul are in your hands Now's the time friend of mine With a passage to A passage from Your daily missal We taught that Cat to crawl Now's the time friend of mine And now's the time friend of mine
