

See High the Hemlock Grows

Buffalo Tom

We were just seventeen
Like a picture in a magazine
See high, the hemlock grows

Ocean rain in our rears
Oh, we won't be seventeen long
See high, the hemlock grows

See my hands grow
From my head down to my toes
High, the hemlock grows

See my hands grow
From my head down to my toes
High, the hemlock grows

See me high, see me low
See me high, see me low
High, the hemlock grows
