

## Stymied

Buffalo Tom

Broken  
By words left unspoken  
I thought you was joking  
The words you say  
Stymied  
Please come untie me  
You're lying right beside me  
Don't lie to me  
Lying  
I caught you lying  
You caught me trying  
Don't let me catch you lying  
Lazy  
Open up the daisies  
And lay my so lazy soul to sleep  
Hoping  
I was not joking  
Was merely choking  
The words got caught  
Lying  
You caught me lying  
I caught you trying  
Don't let me catch you lying  
Lying  
I caught you lying  
You caught me trying  
Don't let me catch you lying  
Lazy  
Daisy  
Lazy  
Daisy  
Lazy
