Tied

Bugoy Drilon

(Whoa)
(Whoa)

Hey bride
Everything just felt so fine
We just had our love online
We swung it with the drums
Then in time
It just didn't work out right
We were from afar each night
We're drowning in our lungs

But they said follow the stars
It's a better way to keep track of where you are
If we can't be,
Then I'll be strumming my guitar

I still believe in love completely (whoa)

Chase the lights that lead the way
I may be young but not broken,
Keeps me awake
(Keeps me away)
Things may not be okay
(Not be okay)
But I'll keep our love story tied,
(Hey)
Between you and me

(Whoa)
(Whoa)

Tears have been dripping from my eyes
(My eyes)
I just miss you and I won't lie
(Won't lie)
I could stare at us one more time,
(One more time)
But no

I still believe in love completely
(Still believe in love)

Chase the lights that lead the way
(Chase the light away)
I may be young but not broken,
(Whoa)
Keeps me awake
Things may not be okay
(Things may not be okay)
But I'll keep our love story tied,
(Keep it tied)
Between you and me

I still want you in my arms, whoa
You were always in my heart
You just shared your life with me

And I'm still into you baby
I just can't deal with one-sided love

Still believe in love completely
(Whoa)

Chase the lights that lead the way
(Lead the way)
I may be young but not broken,
(Not broken)
Keeps me awake
(Keeps me away)
Things may not be okay
(Things may not be okay)
(They're not okay)
But I'll keep our love story tied, whoa
(Hey)
Between you and me
