

## Ego (Skit)

**Bugzy Malone**

Me vuelves loca  
De solo pensar, me duele la cabeza, es-  
Hola, papi  
Of course you didn't pick up  
You're busy again, as usual, huh?  
Cállate, que estoy hablando, déjame hablar  
There's, there's something playing in my mind for a while, and  
I mean, I've, I've tried to understand you  
But I feel like I just, I just don't know you anymore  
Who are you? (Who are you?)  
Who are you?
