I Suggest

Bugzy Malone

Who did he want?
Who did he want?
Me?
Usually don't
Usually don't end well
I suggest you don't come round here
I suggest you just keep it cool

See when I get like this I suggest nobody comes near
Don't touch me and don't look at me for too long, beware
When my hands start shaking I just wanna make 'em fear
That's cos I come from a place where nobody could hear me
Listen up good cos I'm gonna say this bit clearly
I'm an MC but I'm only an MC in theory
The reality is I don't do halfway or nearly
And that's why when I go, I go in deep, sincerely
I'm trying to be good, trying to be cool, trying to be better
I hope the judge can forgive me, I'm sat here writing him a letter
There was CCTV and she said it was a vendetta
I don't want community service but I'll go guilty, forget her

Who did he want?
Who did he want?
Me?
What did he want?
What did he want?
Beef?
Usually don't
Usually don't end well
I suggest you don't stare at me
I suggest you don't come round here
I suggest you just leave it be
I suggest you just keep it cool

You ran up in my room and told me that it was his
And bear in mind these times I was only a kid
Traumatised I just opened a book and put him on a list
And I swore that I'd get him back when I was old enough to switch
No violations, no disrespect and that's fine
He said don't forget remorse cos the letter is vital
I'm sat here looking at a blank page just being bone idle
And when I think back to the night, I just wanna go psycho
Tryna be the man, tryna be the wolf, tryna do a Leonardo
Tryna get a Spyder and I'm tryna get a Gallardo
I'm better than Creed, better than Rocky, better than Drago
Me, I'm tryna be what Al Capone was to Chicago

Who did he want?
Who did he want?
Me?
What did he want?
What did he want?
Beef?
Usually don't
Usually don't end well
I suggest you don't stare at me
I suggest you don't come round here

I suggest you just leave it be
I suggest you just keep it cool

Who did he want?
Who did he want?

What did he want?
What did he want?

Usually don't
Usually don't end well
I suggest you don't stare at me
I suggest you don't come round here
I suggest you just leave it be
