

# Mosh Pit Gang

Bugzy Malone

What kind of question is that man. What's a mosh pit?

A mosh pit is where the crowd make a circle and everybody goes mad innit.

But I don't start the mosh pits, the mosh pits start themselves. Watch this!

Ready, set, go

Mosh pit, mosh pit

It's not a skanking ting right now

It's a mosh pit, mosh pit

I don't care where you are

I just wanna see a mosh pit, mosh pit

I said I don't give a good god damn it's a mosh pit

I know I don't wanna calm down, I've lost it

I don't care right now, I'm on a messy one

And I'll dash anyone into anyone

Man'll get splashed in the face with a Evian

We're gonna need more seconds than 21

Where's Keisha, where's Kerry gone?

In fact fuck them girls, it's irrelevant

In fact ring them back and tell them that

Man got a trunk like an elephant

I said man are gonna drink, man are gonna drink more

Man are gonna drink, man are gonna drink more

Man are gonna drink for the hell of it

Forget about tomorrow, let's celebrate

I said man are gonna drink, man are gonna drink more

Man are gonna drink, man are gonna drink more

Man are gonna drink for the hell of it

Forget about tomorrow, let's celebrate

Ready, set, go

Mosh pit, mosh pit

It's not a skanking ting right now

It's a mosh pit, mosh pit

I don't care where you are

I just wanna see a mosh pit, mosh pit

I said I don't give a good god damn it's a mosh pit

I know I don't wanna calm down, I've lost it

I don't care if you wanna be in a mosh pit

It's gonna happen and you're gonna feel it

From the floor up to the ceiling

Right now it's not a skanking ting

Like, "What do you wanna do, do you want it?"

I'm not the one you want a war with

Right now I just wanna see 'em go sick

Please do not treat man like a prick

Do you think I'm a, think I'm a prick?

Did he think I'm a, think I'm a prick?

Did he think I'm a, think I'm a clown?

Them man don't know how to shut down

Did he think I'm a, think I'm a prick?

Did he think I'm a, think I'm a prick?

Did he think I'm a, think I'm a clown?

Them man don't know how to shut down
