

The Immortals (Interlude)

Bugzy Malone

Gods, angels, skeletons

Martin Luther said a long time ago that God writes the gospel not in the bible alone, but also in the trees, and in the flowers and clouds and stars

Angels, it is said that all guardian angels come to us as a disguised, the Catholic Church recognises the existence of only three archangels

Michael, who is like God, Gabriel, God's power and Raffaello, God's doctor

Angels will not disintegrate with logic but they are most likely to fly for those who believe

Skeletons, Sherman Alexie said that your past is a skeleton walking one step behind you and your future is a skeleton walking one step in front of you, maybe you don't wear a watch but your skeletons do and they always know what time it is

Gods, angels, skeletons
