Blameless

Building 429

I know exactly who I am
All of the places that I've been
I was just a mess before
Always wanting something more

I used to die inside my head
With all of my pain and my regret
Wanted to be someone else
Who did it right, and never fell

I'm not who I used to be

Blameless, You have made me blameless
Sin has been made nameless
Doesn't matter who I was before
I am
Shameless, You have made me shameless
Sin has been made nameless
Cause Your love has come and left its mark
And I am blameless

I'll never change the man I was
But I believe grace because
Everything I tried to I hide
You took away and gave me life

I feel the healing of Your hands
Was on my knees but now I stand
Finally I'm not ashamed
I've found the strength to face the day

I'm not who I used to be

Blameless, You have made me blameless
Sin has been made nameless
Doesn't matter who I was before
I am
Shameless, You have made me shameless
Sin has been made nameless
Cause Your love has come and left its mark
And I am blameless

If only we could
Wake up, wake up, oh sleepers
We are children of our God
Lift up Your eyes oh people
There is freedom in His arms

You are blameless,

You have been made blameless
Sin has been made nameless
Doesn't matter who You were before

You are shameless, You have been made shameless
Sin has been made nameless
Cause His love has come and left its mark

And we are blameless
