

And I got time and i got money,
I taste the nougat I taste the honey
I just wanna know, what can You do for me?
Yeah ''cause I need love, I need affection
I need reality's connection
One more time would You show me that You're there

Because I believe that You can see
When my heart is cryin out
And that's why I can see, that it's up to me,
That's why love is my choice right now

Yeah, well one life you've got to live,
One life you've got to give
That's why we gotta give it everything we've got
Yeah, well one thing You came and died,
And one thing that we can't deny,
That Jesus is the way, the truth, and the life

Yeah and I believe that You can see
When my heart is cryin out
Yeah and that's why I can see, that it's up to me,
That's why love is my choice right now

Yeah and if these walls are big enough to hold me,
One thing you know I'm gonna break 'em all down
Yeah and everything is what I've got,
And everything is what I need
One day I'm gonna bring it down back to You

Yeah and I believe that You can see
When my heart is cryin out
Yeah and that's why I can see, that it's up to me,
That's why love is my choice

O yeah and I believe that You can see
When my heart is cryin out
O Yeah and that's why I can see, that it's up to me,
That's why love is my choice
Love is my choice, O yeah love is my choice,
Love is my choice right now
