

How could You be the One we've all been waiting for  
Could You be a child and still our God  
Could the world be saved by a babe so small  
Under starlit heavens, we stand in awe  
Angels rejoicing over You

They sing glory  
To God in the highest  
And on this earth good will to all men  
They sing glory  
To God in the highest  
And on this earth good will to all men

Lord, we lay before You all our treasured things  
While You sleep so silently in peace  
Heaven rejoices over You

Glory  
To God in the highest  
And on this earth good will to all men  
They sing glory  
To God in the highest  
And on this earth good will to all men

All the hopes and all the dreams  
Of all mankind have been redeemed  
You are the One we've waited for  
You are all that we adore

We're declaring glory  
To God in the highest  
And on this earth good will to all men  
We sing glory  
To God in the highest  
And on this earth good will to all men  
We sing glory  
To God in the highest  
And on this earth good will to all men  
And on this earth good will to all men

Glory to God in the highest  
Glory to God in the highest  
Glory to God in the highest  
Glory to God in the highest
