

I Belong to You

Building 429

I stand astounded by your unfailing love
Your grace imparted rings freedom in my soul
So I lift a voice to reach into the heavens
Trying to find a way to say how much I love You
Because

You spoke my world into existence
Designed my soul and mind even knowing
That I would be the one to break your heart
But you sent your only son to be a savior
You sent the living king to be a servant
And bought me with a price I can't imagine
So I belong to You

So let the world crash down all around me
I'm not affected by the words that they spew/use
I only live to sing, praises to my king
I only live to prove, I adore You
Because
