

# Impossible

Building 429

You got a vision, you got a dream  
But it feels a million miles away  
You got your passion, you got to believe  
That this is why you were made

It takes a little time  
Takes a little time  
It takes a little time to see  
I said it takes a little time  
Takes a little time  
It takes a little time to believe

We can rise above the typical  
And be anything but usual  
We know, we know, we know  
That there's no such thing as impossible  
And nothing is unreachable  
When we trust the God of miracles  
We know, we know, we know  
That there's no such thing as impossible

We're never given the spirit of fear  
Only the power of love  
We'll keep on running and not grow weak  
His strength is more than enough

It takes a little time  
Takes a little time  
It takes a little time to see  
I said it takes a little time  
Takes a little time  
It takes a little time to believe

There is no such, no such thing  
There is no such, no such thing  
There is no such, no such thing as impossible  
Impossible
