

# White Flag

Building 429

The battle rages on  
As storm and tempest roar  
We cannot win this fight  
Inside our rebel hearts

We're laying down our weapons now

We raise our white flag  
We surrender all to you  
All for you  
We raise our white flag  
The war is over  
Love has come  
Your love has won

Here on this holy ground  
You made a way for peace  
Laying your body down  
You took our rightful place

This freedom song is marching on

We raise our white flag  
We surrender all to you  
All for you  
We raise our white flag  
The war is over  
Love has come  
Your love has won

We lift the cross  
Lift it high, lift it high  
We lift the cross  
Lift it high, lift it high

We lift the cross  
Lift it high, lift it high  
We lift the cross  
Lift it high, lift it high

We lift the cross  
Lift it high, lift it high  
We lift the cross  
Lift it high, lift it high

We lift the cross  
Lift it high, lift it high  
We lift the cross  
Lift it high, lift it high

All to you, all to you

We raise our white flag  
The war is over  
Love has come  
Your love has won

We raise our white flag  
We surrender all to you  
All for you  
We raise our white flag  
The war is over  
Love has come  
Your love has won

Lift you up, lift you up  
Its all for you  
Lift you up, lift you up

We lift the cross  
Lift it high, lift it high  
We lift the cross  
Lift it high, lift it high

We lift the cross  
Lift it high, lift it high
