

# All Will Be Fine

**Buju Banton**

Today  
today you're down comes tomorrow  
chances of rising again seems hollow  
doubt may be in your mind oh oh give it time  
and all will be fine  
Seem you cannot make it but you can  
though the road maybe winding and long  
our feet might get weary but not our minds  
We will find light in the darkest of times  
Oh oh we are tomorrow's keepers  
wake up now bright nation of thinkers  
mighty triumphant fearless be a beacon of hope  
As the river swells its banks  
the sea meets the sands  
we should all hold hands  
with our fellow man  
let your voices be heard  
love is the word  
cast anger away its whole brand new da
