

BODY TOUCHING BODY

Buju Banton

Light the candles
Turn the music down
Come close to me
Alright

Body touching body, there is no word to be said
Started inna the driveway but we never make the bed
Run my fingers down from ya shoulder to your leg, I wanna
Take my time and gently spread
Vicki and Buju a-go ride and glide, oh
Express and show me how you feel inside, oh
Nuttin' to hide, arms open wide
Come closer, baby, let's take a ride

As long as I'm with you
I want a life with you
Bonnie and Clyde with you
So I never have to miss you
I'll spend my life with you
Oh, what a life with you
Bonnie and Clyde with you
So I never have to miss you

Passion a-bust like the bubbles inna your bath
Feel it inna your soul, inna your mind, inna your heart
Miserable when we are apart
Hope you're not here to play games with my heart, you hear that?
Tough on the outside but inside, she soft
The cutest thing is when she smile and she laugh
The moments of pleasure, so tender, so soft
Safe inna me arms, no worries

As long as I'm with you
I want a life with you
Bonnie and Clyde with you
So I never have to miss you
I'll spend my life with you
Oh, what a life with you
Bonnie and Clyde with you
So I never have to miss you

After a long day, on a late night
We can take time, I'ma make time
Under the moonlight, on my bedside
I only want you on my waistline
After a long day, on a late night
We can take time, I'ma make time
Under the moonlight, on my bedside
I only want you on my waistline

I only want you on my waistline
I only want you on my waistline
