Buju Banton

(Turn on the news

Tell me what you 'eard of  
We are not scared of you because you're charged for murder (Pussyclart)  
No, no, no, no

Well if every man ah badman  
With a short one or a long one  
Who ah go live long when them start gangbang?  
Crazy shot a beat  
Buda bye, buda bye, bloaw-bloaw-bloaw  
Bullet from Brixton, Stonebridge to Peckham  
Man deh pon di lookout, nah left him weapon  
Soundbwoy just full of chat, tell mi weh den deh pon  
Double cross cutthroat over connection  
Now the streets filled up of extortion

Tell them, bring it on  
Cah wi nuh go back on them  
And if unnu knock one at wi, wi ah knock four back  
Just bring it on

If a gunshot wid my beat, then ah gunshot mi gunshot

Funerals, betrayals  
Bonds and bail  
Chill out and relax  
Make cool heads prevail  
Now a all-out war  
Because the peace fail  
Pon the wrong corner you make a sale  
Gangsters and goons are just not the same  
(A-Ask blacka dread from over Coldharbour Lane)  
Talk to the youtdem and beg dem refrain  
Hear mi ah tell them again and again

Bring it on  
Cah wi nuh go back on them  
And if unnu knock one at wi, wi ah knock four back  
Bring it on  
Wi nuh love chat  
And if you come here fi act unni better act, act, act  
Bring it on  
Cah wi nuh go back on them  
And if unnu knock three at wi, wi ah knock six back, ayy
