

Cheated

Buju Banton

A time of decision girl child
It's do or die
Why you do me so bad
Why

(You cheated, you lied)
Girl you throw it all away
(You cheated)
Cho

Ann Marie, it's over you really let me down
I thought the love we shared was sincere and profound
The way ya told me that you love me make my love come down
But when the trouble tek me you were nowhere around
Guess it was all about the money, fancy cars as such
You said I was a bredda with the midas touch
Showed you a life worthwhile filled with designer style
When people seh u spoil I would answer not enough
Get caught up in a world filled with trivial stuff
And I never took the time to see it was a gold rush
Showed the real you when I got locked up not even a postcard

(You cheated, you lied)
Lawd
Gal yuh do me bad
(You cheated)
Cheated
(You cheated, you lied)
Why
(You cheated)
Hear me out

For all the things of the world she can't satisfy
How much you cheated how much you lie
Said it was a cousin when it was just another guy
Yuh swear all the tears weh yuh cry

(You cheated, you lied)
(You cheated)

(You cheated, you lied)
Why you did me so bad
(You cheated, you lied)

Ann Marie, it's over you really let me down
I thought the love we shared was sincere and profound
The way ya told me that you love me make my love come down
But when the trouble tek me you were nowhere around
Guess it was all about the money, fancy cars as such
You said I was a bredda with the midas touch
Showed you a life worthwhile filled with designer style
When people seh u spoil I would answer not enough
Get caught up in a world filled with trivial stuff
And I never took the time see it was a gold rush
Showed real you when I got locked up not even a postcard

(You cheated, you lied)

(You cheated)
(You cheated, you lied)
(You cheated, you lied)
