

Cherry Pie

Buju Banton

Mind reader
I saw you from behind
I thought that you were mine
And your zodiac sign was fine
Rum with a twist of lime
Cherry pie in my eyes
Convince me that you're the one

So you might as well
Wine your body (Bruk it down), move your body
Wine your body (To di ground), move your body
So you might as well
Wine your body (Bruk it down), move your body, girl
Wine your body (To di ground), move your body, girl
So you might as well
Wine your body (Bruk it down), move your body
Wine your body (To di ground), move your body
Wine your body (Bruk it down), yeah, move your body, girl
Wine your body (To di ground), move your body

Wine up yuh waist, set di pace an' done
Bubble up yuh body weh di Banton come
Yuh know weh yuh set off so clothes haffi tek off
Stand up and face it don't bother run

Girls in a frenzy, nuff 'til dem plenty
Step out and step off, inna four door Bentley
I need that girl
Tell me, have you seen that girl?
Well you know mi nuff cyaan empty wonder who sent me
Step out at mi house go straight ah gyal factory
I need that girl
Tell me, have you seen that girl?

Alright, good girls ago be we bad habit
Lock mi dung fi deal wid and grab it
Good ting mi nuh left out mi tonic
Excursion excursion
I know you ain't tryna go back home
You can spend the night you can spend the night
'Cause you ain't tryna leave right now
See it in your eyes, it's the cherry pie

Girls in a frenzy, nuff 'til dem plenty
Step out and step off, inna four door Bentley
I need that girl
Tell me, have you seen that girl? (Do ya know?)
Well you know mi nuff cyaan empty wonder who sent me
Step out at mi house go straight ah gyal factory
I need that girl
Tell me, have you seen that girl?

I don't wanna know what she do she flows
Well done hair and polish an' toes
Photoshoot pretty fly girl strike a pose
My girl, yuh nuh pretty like most
Lunch in malta tea on the coast

Vegan meals and no pot roast
Yuh dress only inna di finest clothes
I really love your style

Girls in a frenzy, nuff 'til dem plenty
Step out and step off, inna four door Bentley
I need that girl
Tell me, have you seen that girl?
Well you know mi nuff cyaan empty wonder who sent me
Step out at mi house go straight ah gyal factory
I need that girl
Tell me, have you seen that girl?
Mind reader

I saw you from behind
I thought that you were mine
And your zodiac sign was fine
Rum with a twist of lime
Cherry pie in my eyes
Convince me that you're the one

So you might as well
Wine your body (Bruk it down), move your body
Wine your body (To di ground), move your body
So you might as well
Wine your body (Bruk it down), move your body, girl
Wine your body (To di ground), move your body, girl
So you might as well
Wine your body (Bruk it down), move your body
Wine your body (To di ground), move your body
Oh, might as well
Wine your body (Bruk it down), yeah, move your body, girl
Wine your body (To di ground), move your body

Girls in a frenzy, nuff 'til dem plenty
Step out and step off, inna four door Bentley
I need that girl
