

How It A Go Go

Buju Banton

Tell Mi how it a go go, skin haffi go bun
If a teacher bwoy start molest mi son
How it a go go, machete or mi gun
Ras nor nuh Rasta, dem bwoy dey a dun
How it a go go, head haffi go roll
If a bwoy a molest mi five year old
How it a go go, if mi get cold
An mi naw stop till mi achieve mi goal

Wi live inna slackness like a wi diet
Fuckery a gwaan an evrybaddi keep quiet
Battyman a rule an nobody naw riot
Guh tube mi son bwoy yuh dead like Goliath

Tell Mi how it a go go, skin haffi go bun
If a teacher bwoy start molest mi son
How it a go go, machete or mi gun
Ras nor nuh Rasta, dem bwoy dey a dun
How it a go go, head haffi go roll
If a bwoy a molest mi five year old
How it a go go, if mi get cold
An mi naw stop till mi achieve mi goal

Mi little girl an mi little bwoy a mi blessing
Sometime mi sit down an mi reminiscing
Suppose a Marcus a tek Bible lessing
An mi find out a di Pastor molest him !

Strange Things the Rasta condemn
Beg unno fi lef out the little children
Strange things wi naw guh condole
When yuh see people pickini, leave dem alone
