

In The Air

Buju Banton

Can you feel it (Can you feel it)
In the air
Can you feel it (Can you feel it)
It is ho so near
Can you see it (Can you see it)
It is ova there
Coming down on every soul
Taking complete control
Can you feel it (Can you feel it)
In the air
Can you feel it (Can you feel it)
It is ho so near
Can you see it (Can you see it)
It is ova there

Reaching down on every soul
Taking complete control
Magical mystic
Friends I'm not sure
Whateva that feeling, give me some more
Jah you see me let my mind
Never have I felt such great feeling not in this lifetime

Can you feel it
In the air
Can you feel it
It is oh so near
Can you see it, it is ova there
Reaching down on every soul
Full and complete control
Once more again
Words from the wind whispers in my head
Gently

Let no tear shed
Now everybody knows
Musicakes me where my heart wants to go

Can you feel it
In the air
Can you feel it
It is ho so near
Can you feel it
