Dem ah talk but dem no know
Many things wey dem comment but all I know
Is me I no get time to relax
I Dey recharge
I no get time to revive wetin don die
When I roll up my Igbo
And I think about the journey I've been on
How you think say man go relent
I am a different guy
Wey Dey fight for my own lifeline

Hmm so bye bye
To relationships wey no pay I won't lie
Dem do me dirty for back but na pride
Wey no make me to Dey cry but man walahi
Many things wey dem wan do me but lai-lai
Cause they know the boy connected pass WiFi
And you know the boy gon be here till he dies
I ain't seen a nigga do it like me on my life
Me? I dey try!
