

Bad Since '97

BNXN

Man, I've been bad since '97, I never cared 'bout the devil
Mm-hmm-mm-hmm

Man, I've been bad since '97, I never cared 'bout the devil
Since '17, I've been smoking hot like a kettle
Anytime I know it's 'less you know, I never settle
Get it running on a track, I deserve a medal
Or maybe some diamonds, shining on my bezel
I dey on my level, man, I'm stilla rebel
Who you wan dey underrate? Are you even normal?
Man, I'm on a different lane, not to keep it formal
I dey craze, you know
And just so you know
If I think you're moving funny, I'll be sam loco
'Cause my music is one thing that I take personal
Don't compare me to nobody I dey spice, you know
On a verse, you know
It's impossible
Say you hear I no deliver, must be dumb, you know
Fit be say I really no wan do the song, you know
Or person dey for my back pointing a gun, you know

Mehn, I dey hot
Ori mi gbona bi ina suya
The level I dey Burj Khalifa
Eshi ma ri ran wo, my nigga
I fit to put that on my mother
Your money can't impress my niggas
Na if e touch my hand, I go feel am
No need for talking plenty
Sit down, watch as we dey do for setting, yeah
Ori mi gbona bi ina suya
The level I dey Burj Khalifa
Eshi ma ri ran wo, my nigga
I fit to put that on my mother
Your money can't impress my niggas
Na if e touch my hand, I go feel am
No need for talking plenty
Sit down, watch as we dey do for setting, yeah

Ori mi gbona bi ina suya
The level I dey Burj Khalifa
Eshi ma ri ran wo, my nigga
I fit to put that on my mother
Your money can't impress my niggas
Na if e touch my hand, I go feel am
No need for talking plenty
Sit down, watch as we dey do for setting, yeah
