It's Kel P vibes

Shit on my body genuine
Me, I got taste for all the finest things of life
Don't think I'm a belligerent
Some might have to check the dictionary for that
The flow is gold, ask Solo
Him no fit say him no know, oh no, barawo
Some people stealing my flows

But eleyi eleyi tin ba ni ko shey eleyi
Won wo pe Kole dun to yi
'Cause eleyi eleyi word to Oladimeji Agboola
Won mo pe ko de si Meji
Ah, eleyi eleyi tin ba ni ko shey eleyi
Won mo pe Kole dun to yi
'Cause eleyi eleyi word to Oladimeji
Won ro pe ko le shey to yii

Chale, on my last album I was so heartbroken
So I put my soul into this one, I'm exhibiting motion
It is the reason I'm writing these songs while I'm rollin' up and smoking
They snoozed like they were sippin' on lean, I mean
The ones still hatin' on me... for real.

Ghen! Ghen! You know the rating na 10! 10!
Switch up on these niggas like Ben 10
And you know say I no send them, like Cartoon Network
Me, I got a new network 'cause me, I dey put effort
This new network
E no go fit mess up 'cause me, I dey put pressure

Hm uh, eleyi eleyi tin ba ni ko shey eleyi
Won wo pe Kole dun to yi
'Cause eleyi eleyi word to Oladimeji Agboola
Won mo pe ko de si Meji
Ah, eleyi eleyi tin ba ni ko shey eleyi
Won mo pe Kole dun to yi
'Cause eleyi eleyi word to Oladimeji
Won ro pe ko le shey to yii
