Feel like I'm all alo-

I feel like I'm all alone, on my own
Sometimes I dey smile, sometimes I dey bone
The kind girls wey dey my phone, Amanda, Simone
Got a hundred and one reasons I dey on my own
Ş'ori ojo yen ti ba ma mamu limca, ti won de fun mi ni visa eh
Saromina, o ti e şàánú mi na
Hope you proud of me now?
'Cause of my diamonds and my new ring or my jewelries, my chain
Shit just ain't the same

'Cause I and I alone know all the feelings that I feel inside (Oh wey oh-oh)
All the emotions wey I keep for my mind (Oh wey oh-oh)
The alcohol you poured me no go suffice (Oh wey oh-oh), tonight (Oh wey oh-oh)
I said I and I alone know all the feelings that I feel inside (Oh wey oh-oh)
All the emotions that keep me up at night (Oh wey oh-oh)
The alcohol you poured me no go suffice (Oh wey oh-oh) tonight
