

I Do

BNXN

Left hook, right hook men I throw
Fight for my spot what I know is I can achieve whatever I put m
y mind to
The question is, do you want it as bad as I do?
Left hook, right hook men I throw
Fight for my spot what I know is I can achieve whatever I put m
y mind to
The question is, do you want it as bad as I do?
Do you want it as bad as I do?
Build a legacy make money moves
Believe my team and in what I do
Can't stay idle, looking for what to do
The things that bother me you ain't got a clue
I laugh and smile but inside I'm feeling blue
I know the drill so I stay jiggy with you
But deep inside I'd rather be in my room
I love it when they dance to my tunes
A phenomenal thing I cannot get used to
But I gotta pretend like it's cool
You think it's sweet but it's something that I can't grow into
You think I'm perfect I'm flawed just like you
My heart and dedication's what getting me through
I'm with the challenge I want it, I do, I do

Do you want it as bad as I do?
Do you want it as bad as I do?
Do you want it as bad as I do?
Do you want it as bad as I do?
Tell me do you want it as bad as I do?
