

Outside

BNXN

Talking 'bout me, man, big up your chest, I swear
If you no get money e dey kill idea
Man, I faced my fears
There's nothing I can't do from here

Omo in the first stage I made mistakes I swear
For knowledge I sacrificed my fears
And I stand right here
I say I'm better and you can't compare, yeah

'Cause when I give them gbedu e dey blow their mind
You know they can't see me outside
And me I dey work, I dey grind
Oh, when I give them gbedu e dey blow their mind
You know they can't see me outside
'Cause me I dey work, I dey grind
When I give them gbedu e dey blow their mind
You know they can't see me outside
'Cause me I dey work, I dey grind
Yeah, when I give them gbedu e dey blow their mind
You know they can't see me outside
'Cause me I dey work, I dey grind

Ohhh say
Me I still dey look for my cheddar
I know say nobody holy brother
But if me and you get issues
I forgive you and I no reason you
I still got love for you

I know say nobody holy brother
But me I still dey look for my cheddar
But if me and you get issues
I forgive you and I no reason you
And it's simply the truth

I tell you truth, I no lie to you (Jeje)
And dem fit like, dem fit dance it o (Jeje)
When I go wild I be animal
For my cheddar
You know me, I don't play yunno

If dem no like, dem no like it o (Jeje)
I no fit force it upon you o (Jeje)
'Cause you know say na gbedu yunno
You fit dance it oooo
If e dey sweet you o

'Cause when I give them gbedu e dey blow their mind
You know they can't see me outside
And me I dey work, I dey grind
Oh, when I give them gbedu e dey blow their mind
You know they can't see me outside
'Cause me I dey work, I dey grind
When I give them gbedu e dey blow their mind
You know they can't see me outside
'Cause me I dey work, I dey grind

Yeah, when I give them gbedu e dey blow their mind
You know they can't see me outside
'Cause me I dey work, I dey grind
