E getti something I never see, she say she like my melody  
I say my darling, sorry, come and be my testimony  
E getti something I never see, she say she like my melody

Help me tell Daina something  
Daina say she no longer want me  
If you leave me na felony  
If you leave me na apology  
Help me tell Daina something  
Daina say she no longer want me  
If you leave me na felony  
If you leave me na apology

Naso the ting go  
You know as I know  
She para for me and then she call my phone  
I say "do you like it?" She tell me "I do"
