

# Letting You Go

Bullet For My Valentine

I don't understand  
Just why you wanna keep me guessing?  
What I've done or what I've said to make, make you feel this way  
I get the feeling this is never getting any better  
Seems to me we need to draw a line for everybody's sake  
Before it washes us away

First you wanna hate me  
Then you wanna love me  
This is how I'm feelin', I'm just letting you know  
Don't wanna hear it, I ain't gonna fake it  
This is how I'm feelin', now I'm letting you go  
Coldest heart I've ever known  
Now I'm better off alone  
First you wanna love me  
Then you wanna hate me  
This is how I'm feelin' now I'm letting you, letting you go

So I know this hasn't gone the way that we expected  
You had to try and make a fool of me and leave a bitter taste  
I tried to compromise with open eyes but we're disconnected  
Seems to me we need to draw a line for everybody's sake  
Before it washes us away

(first you wanna hate me)  
First you wanna hate me  
Then you wanna love me  
This is how I'm feelin', I'm just letting you know  
Don't wanna hear it, I ain't gonna fake it  
This is how I'm feelin', now I'm letting you go  
Coldest heart I've ever known  
Now I'm better off alone  
First you wanna love me  
Then you wanna hate me  
This is how I'm feelin' now I'm letting you, letting you go

Letting you, letting you go  
Now I'm letting you, letting you go

First you wanna hate me  
Then you wanna love me  
This is how I'm feelin', I'm just letting you know  
Don't wanna hear it, I ain't gonna fake it  
This is how I'm feelin', now I'm letting you go  
Coldest heart I've ever known  
Now I'm better off alone  
First you wanna love me  
Then you wanna hate me  
This is what I'm feelin' now I'm -

First you wanna hate me  
Then you wanna love me  
This is how I'm feelin', I'm just letting you know  
Don't wanna hear it, I ain't gonna fake it  
This is how I'm feelin', now I'm letting you go

Coldest heart I've ever known

Now I'm better off alone  
First you wanna love me  
Then you wanna hate me  
This is how I'm feelin' now I'm letting you, letting you go
