Livin' Life (On the Edge of a Knife)

Bullet For My Valentine

I don't know where to start Too many issues on my mind This is straight from the heart You need to take a look inside

You wanna push me away You wanna sacrifice what we have I will not beg you to stay And it hurts me to say

You're not alive You're dead inside! Living your life on the edge of a knife Living your life on the edge of a knife (2x)

Don't know you're alive
Why don't you try and make things right
'Cause if you want to survive
You'll have to take a look inside

Poison - it runs through your veins You wanna sacrifice what we made And then is all that remains And it hurts me to say

You're not alive You're dead inside! Living your life on the edge of a knife Living your life on the edge of a knife (2x)

Hey! You're dead inside! You never knew you were fuckin' alive Hey! You're dead inside! You're too weak, you will never survive

Poison - it runs through your veins You wanna sacrifice what we made And then is all that remains And it hurts me to say

You're not alive You're dead inside! Living your life on the edge of a knife Living your life on the edge of a knife (2x)
