

# Tears Don't Fall

## Bullet For My Valentine

**Eb F** (4x)

**Gm Eb F**  
1. With blood shot eyes I watch you sleeping  
**Gm Eb F**  
The warmth I feel beside me is slowly fading  
**Gm Eb F**  
Would she hear me if I called her name?  
**Gm Eb F**  
Would she hold me if she knew my shame?

**Gm**  
There's always something different going wrong  
**Eb F**  
The path I walk is in the wrong direction  
**Gm**  
There's always someone f\*\*king hanging on  
**Eb F**  
Can anybody help me make things better?

**Eb F**  
R: Your tears don't fall

They crash around me  
**Eb F**  
Her conscience calls the guilty to come home  
**Eb F**  
Your tears don't fall

They crash around me  
**Eb F**  
Her conscience calls the guilty to come home

2. The moments died, I hear no screaming  
The visions left inside me are slowly fading  
Would she hear me if I called her name?  
Would she hold me if she knew my shame?  
There's always something different going wrong  
The path I walk is in the wrong direction  
There's always someone f\*\*king hanging on  
Can anybody help me make things better?

R: Your tears don't fall...

**Eb F Gm**  
\*: This battered room I've seen before  
**Eb F Gm**  
The broken bones they heal no more, no more  
**Eb F**  
With my last breath I'm choking  
**Eb F**  
Will this ever end I'm hoping  
**Eb F Gm**  
My world is over one more time  
**Gm**  
Lets go
