

# Worthless

## Bullet For My Valentine

You're worthless to me

Have you nothing to say?  
Can't you see what you're doing to me?  
You keep breaking me down  
But I won't let you get the better of me  
I can't take anymore

Look at me  
Is this what you want?  
Look at me  
Am I what you need?

One more word and I'm taking this all away  
I won't take anymore

You can keep all your apologies  
Those words are worthless to me  
And I don't wanna hear that you're sorry  
Your words mean nothing to me

Has this opened your eyes?  
It was only a matter of time  
I can tell by that look on your face (on your face)  
That you know the tables have turned  
No one's fault but your own

Look at me  
Tell me what you see  
Look at me  
Am I what you need?

One more word and I'm taking this all away  
I won't take anymore

You can keep all your apologies  
Those words are worthless to me  
And I don't wanna hear that you're sorry  
Your words mean nothing to me  
No, I don't wanna hear that you're sorry  
Your words are worthless to me

You can keep all your apologies  
Listen to me

You can keep all your apologies  
Those words are worthless to me  
And I don't wanna hear that you're sorry  
Your words mean nothing to me

No, I don't wanna hear that you're sorry  
Your words mean nothing to me  
And I don't wanna hear that you're sorry  
Your words are worthless to me  
They mean nothing
