## **Your Betrayal**

## **Bullet For My Valentine**

Am I going insane? My blood is boiling inside of my veins An evil feeling attacks My body's shaking, there's no turning back

Don't take your eyes off the trigger I'm not to blame if your world turns to black As your eyes start to blister There's just no hope for a final embrace

So here we are, I'm in your head I'm in your heart

You were told to run away Soak the place and light the flame Pay the price for your betrayal Your betrayal, your betrayal

I was told to stay away Those two words, I can't obey Pay the price for your betrayal Your betrayal, your betrayal

Is it my turn to die? My heart is pounding as I say goodbye So now I dance in the flames I love you crying and screaming my name

You said that we'd be forever How could you kill me and lie to my face? Now that we can't be together There's just no hope for a final embrace

So here we are, I'm in your head I'm in your heart

You were told to run away Soak the place and light the flame Pay the price for your betrayal Your betrayal, your betrayal

I was told to stay away Those two words, I can't obey Pay the price for your betrayal Your betrayal, your betrayal, go

So here we are, I'm in your head I'm in your heart

You were told to run away Soak the place and light the flame Pay the price for your betrayal Your betrayal, your betrayal

I was told to stay away Those two words, I can't obey Pay the price for your betrayal Your betrayal
