

## Crossfire

Bullet

Up ahead where the road stretch out  
Asphalt bending in the pale moonlight  
On the run, gotta go  
Vagabond life, desperado  
Howlin' blues of the wolverine  
Year twenty-thirteen

I'm down  
I'm down in the crossfire line  
Crossfire

Try to fit but the rules don't apply  
Cross the bridge to the wild side  
Full armor, Marshall roar  
Vagabond life, desperado  
Scandinavian leather, keep it clean  
Year twenty-thirteen

I'm down  
I'm down in the crossfire line  
Crossfire

I'm down  
I'm down in the crossfire line  
Crossfire
