

Do Me Raw

Bulletboys

Hey! Woo, check it out
Come on baby
I'll show you somethin' you really want
See ya

Hey baby, let's take a low ride
Down a wrong way avenue
Or pull me deep in your riptide
Come on show me something new, yeah

Well, we can always pull it over
I'll take ya sunny side 'round
Or we can get a little bolder, hey
Put some berry juice in your Crown

Tie me up, lay me down
Do me raw
And lose some indiscretions of the sexual kind
Ain't no human flaw
Dress me up, butterfly you down
Do me raw

Whoa no, whoa no!

Tie me up, lay me down
Do me raw
And lose some indiscretions of the sexual kind
Ain't no human flaw
Do me raw
Do me raw
Do me raw

Whoa, yeah, yea, whoo
Walkin' on down on Jonestown
Got the bible doubled up on the side
Hoo!
