Rock Candy

Bulletboys

Yeah, alright
Uh

When you need a friend
Through thick and thin
Don't look to those above you

When you're down and out
And there ain't no doubt
And nobody wants you

'Cause you're rock candy, baby
You're hard, sweet and sticky
'Cause you're rock candy, baby
You're hard, sweet and sticky, yeah yeah

Hard sweet and

When you're seventeen
Living for your dream
Don't let no one lose them for you

Pull up your pants
Stretch out take a chance
If it can be done, you can do it

'Cause you're rock candy, baby
You're hard, sweet and sticky
'Cause you're rock candy, baby
So hard, sweet and sticky, yeah yeah

Rock candy, baby
Know what I'm talkin' about, uh

'Cause you're rock candy, baby
You're hard, sweet and sticky
'Cause you're rock candy, baby
So hard, sweet and sticky, yeah yeah

Don't you know, yeah yeah
Sticky, yeah yeah, alright
