

# Hula Hula

Bullion

Are people in pain where you are?  
Do they stand up from the dead?  
Like we did in Tokyo  
Singing "Hula Hula"  
Oh, na na na na na

I'll ask you tomorrow  
I'll ask you tomorrow  
Oh, na na na na na

When you look into the dayglow  
Can you comprehend the yellow  
Like we did in Mexico  
Dancing the Hula Hula  
Oh, na na na na na

Are people in pain where you are?  
Are people in pain where you are?  
I'll ask you tomorrow  
I'll ask you tomorrow  
I'll ask you tomorrow

If the dream that don't remember  
It could've been about anything  
Like the way we used to swim  
Dancing, dancing, dancing, dancing, dancing  
Oh, na na na na na

I wanna be back at [?]  
And the wonder of the night  
There's a vision of you inside  
Dancing the Hula Hula  
[?] wasn't open
