

# Open Hands

Bullion

I like it  
Getting to know you  
Fellini  
Images of people walking around  
Surprising  
Sicilian Country  
Together  
A thousand miles to wander  
I'm learning  
How to be kinder

Open hands draw ever closer  
Open hands draw ever closer

Lucio Dalla  
Isabelle Adjani  
You saw them  
Once in a cinema, down town  
Four thousand feet below  
A decade in fake it seems so long ago  
We're learning  
How to be patient too  
Do-do, do, do  
Do-do, do

Open hands draw ever closer  
(Do-do, do)  
Open hands draw ever closer  
(The rain is melting snow)

Open hands draw ever closer  
(Do-do, do)  
Open hands draw ever closer  
(The rain is melting snow)
