

## A Love Profound

**Bully**

I've been looking for you everywhere  
Trying to find you in places I would never think to see  
And it's unfortunate that  
Sometimes our humanity diminishes the beauty  
Often times the softness in your gaze brought me to the next da  
y and I  
Couldn't be more proud of you even if you begged me to

I never knew why (missing you now)  
We hide how we cry (missing you now)  
Oh what a life (missing you now)  
Oh what a life

No matter how hard I try I can't wish away the idea of inevitab  
le change  
It burdens me the most witnessing your lack of interest in the  
things that you once loved  
Guess that's just the way it goes  
We never really have control  
Guess that's just the way it goes  
I know it's a low blow

I never knew why (missing you now)  
We hide how we cry (missing you now)  
Oh what a life (missing you now)  
Oh what a life

A love profound  
A love profound

I never knew why (missing you now)  
We hide how we cry (missing you now)  
Oh what a life (missing you now)  
Oh what a life
