

# Change Your Mind

Bully

I've spent hours on the back porch  
Burning fire in my hands  
Try my best to learn to read you  
But I still can't understand  
And when you ask me how I'm doing  
I say that I can't complain  
After all, it's unattractive  
For me to burden you with shame

How can I still feel this way?

If I, I can't change your mind  
Or be the one in time  
At least I know I tried  
It hurt, but I'm alive  
And I'd do it all again  
My pride is paper thin  
I'm not looking for a win  
I've got a lawless love for you  
And nothin' better to do

I'm not asking for a favor  
I just want to be let in  
All I wanted was to feel wanted  
I don't need another friend  
And you might love me at my best but  
At my worst, you're walking out  
And I don't know what I could say that  
Won't set fire to this drought

If I, I can't change your mind  
Or be the one in time  
At least I know I tried  
It hurt, but I'm alive  
And I'd do it all again  
My pride is paper thin  
I'm not looking for a win  
I've got a lawless love for you  
And I got nothin' better to do

Endlessly devoted, misunderstood, I broke it  
Endlessly devoted, misunderstood, I broke it  
Endlessly devoted, misunderstood, I broke it  
Endlessly devoted, misunderstood, I broke it

If I, I can't change your mind  
(Endlessly devoted, misunderstood, I broke it)  
Or be the one in time  
(Endlessly devoted, misunderstood, I broke it)  
At least I know I tried  
It hurt, but I'm alive  
(Endlessly devoted, misunderstood, I broke it)  
And I'd do it all again  
My pride is paper thin  
(Endlessly devoted, misunderstood, I broke it)  
I'm not looking for a win

I've got a lawless love for you  
And I got nothin' better to do
