

## Not Ashamed

Bully

It's like pressure that I feel daily  
As you use your views to rob me  
I'm a number in a lobby, you know me too  
I'm not ashamed and this ain't about you  
Don't say what is best for me  
Unaware of half of what I need  
It's not in line with you, I'm capable  
I've thought this through and  
Nothing's been in line with you  
But power, money, had the truth  
Nothing's been in line with you  
But full control of what I do

I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it

I'm fine with the person I wound up to be  
So what if I can, doesn't make it for me  
Your actions are speaking louder than words  
You're not doing anything and I'm not being heard  
If you never speak up and you never act out  
But you're half of the reason, figure it out  
You're lying to yourself, you're not standing for me  
If I stay regulated and you walk away free

I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it

Goes on, goes on, goes on, goes on  
All my life spent witnessing how far you go  
All my life spent nothing's wrong as far as you know

I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed and I don't regret it  
I'm not ashamed
