

## Seeing It

**Bully**

I can see it in you  
Tried to put you back in view  
But I feel nothing when I do

Wanted to tell you but I choked  
Wanted to tell you but I choked  
God, it's easy to choke  
Is it true?  
Is it true?

I laid down in my bed  
Replayed it all in my head  
I closed my eyes and I erased your face from my mind

I didn't want to  
I should put this on you  
I didn't want to  
I didn't want to

Is it true?

I quit seeing it in you  
I quit seeing it in you

Such a blurry place to be  
Stuck in your own body  
Stuck again just for me  
Someone's gonna draw the line  
Get you outta here in time  
Someone's gotta draw the line

Is it true?  
Is it true?

I quit seeing it in you  
I quit seeing it in you
