

Euphoria

bülow

Give me a time, your duration
Good things, we gotta be patient
We're some perfect equation
I-I, I-I, but you don't know it yet

Tell me that you got the hots for me, I know
But do you know I'm just as crazy as you, baby?
We could be Bonnie and Clyde, come on, run
Take the money, I'll keep the, I'll keep the engine running

You give me, you give me a-a-adrenaline
I give you, I give you d-d-d-dopamine
This euphoria-a-a-a-a-a
This euphoria-a-a-a-a-a
You give me, you give me a-a-adrenaline
I give you, I give you d-d-d-dopamine
But I should warn ya, I should warn ya
This euphoria don't last forever

Ah, this euphoria, woah-oh
This euphoria-a-a-a-a-a
This euphoria don't last forever
Ah, this euphoria, woah-oh
But I should warn ya, I should warn ya
This euphoria don't last forever

With you, it's never an invasion
I like you all up in my space, oh
About to toy with your emotions
You're about to cry me an ocean

Give me your Friday night, you'll wake up on Monday
Tuesday, you'll fast forward, wish it was Saturday
Feel the heat on repeat, won't see the warnin'
All over you, all over me 'til the morning

You give me, you give me a-a-adrenaline
I give you, I give you d-d-d-dopamine
This euphoria-a-a-a-a-a
This euphoria-a-a-a-a-a
You give me, you give me a-a-adrenaline
I give you, I give you d-d-d-dopamine
But I should warn ya, I should warn ya
This euphoria don't last forever

Ah, this euphoria, woah-oh
This euphoria-a-a-a-a-a
This euphoria don't last forever
Ah, this euphoria, woah-oh
But I should warn ya, I should warn ya
This euphoria don't last forever

Diamonds always turn to dust
Maserati gonna rust, oh-oh, oh-oh
Put back the pieces, I'll put back the pieces of us
That's the tragedy of us, the gravity of lust
The story of every last person I've loved

Oh-oh, oh-oh
We've just started but the damage is done

You give me, you give me a-a-adrenaline
I give you, I give you d-d-d-dopamine
This euphoria-a-a-a-a-a
This euphoria-a-a-a-a-a
You give me, you give me a-a-adrenaline
I give you, I give you d-d-d-dopamine
But I should warn ya, I should warn ya
This euphoria don't last forever

Ah, this euphoria, woah-oh
This euphoria-a-a-a-a-a
This euphoria don't last forever
Ah, this euphoria, woah-oh
But I should warn ya, I should warn ya
This euphoria don't last forever
