

First Place

bülow

We were never friends in the first place
So why you tryna be my friend now?
Oh, did I make you feel some type of way?
Don't really care, you need to slow it down (Yeah)

Here we go, another episode
Wish I cared but I, I really don't
I can see what's going through your head (Through your head)
Did you really think that we were gonna be?

So you feel you know me?
No, you ain't my homie (My homie)
Only hit me when you lonely

Tired of being phony (Phony)
You better listen closely (Closely)
Call me up and it go straight to voicemail, ooh

You ain't even a thought in my mind
Does that make you wanna cry?

We were never friends in the first place
So why you tryna be my friend now?
Oh, did I make you feel some type of way?
Don't really care, you need to slow it down

Never friends in the first place (First place)
So what? You tryna be friends now? (Oh, friends now)
Oh, did I make you feel some type of way?
Don't wanna hear about your feelings now (Yeah)

I'm not tryna be mean but you keep pushing me
While I'm dozing out watching re-runs on the screen
Why you always hit me up when I'm tryna eat?
What if I did that?

So you feel I owe you? (Owe you)
I don't even know you
I don't even want to, put yourself in my shoes
What if I did that to you? (What if I did that to you?)

(Yeah)
(What if I did that to you?)

We were never friends in the first place
So why you tryna be my friend now?
Oh, did I make you feel some type of way?
Don't really care, you need to slow it down

Never friends in the first place (Never friends)
So what? You tryna be friends now? (Oh, friends now)
Oh, did I make you feel some type of way?
Don't wanna hear about your feelings now

Never friends in the first place
