

## Honor Roll

bülow

I've been thinking about how  
I used to hang out, smoking weed by myself  
Now I'm flying, for real put my seat belt on  
I'm overseas soon I'll be somewhere else  
It's funny how it gets so real so fast  
Dreaming of the afterlife or maybe you don't have to die  
I get so scared sometimes, I don't know what's next for me  
I don't know what's best for me no more

All my friends doing Adderall  
I'm just trying to make it on the honor roll  
Slurring my speech till I said it all  
Filling my heart with the edibles  
All my friends doing Adderall  
I'm just trying to make it on the honor roll  
Slurring my speech till I said it all  
Filling my heart with the edibles  
It's just that I don't wanna get older, I don't wanna die  
I don't wanna be sober, I don't wanna cry  
I don't wanna get older, I don't wanna die  
I don't wanna be sober, I don't wanna cry

I've been fooling around  
Sending pics, sending out zero fucks, it's a cop out  
And I know that my head might be brain dead, white flag  
I'm a forfeit, too bad, can't stop my world from collapsing  
I'm afraid of relapsing cause this limbo too fast, I might get carsick  
All these moving targets are IP to the home where my heart is  
Sometimes I wish I was back where I started

All my friends doing Adderall  
I'm just trying to make it on the honor roll  
Slurring my speech till I said it all  
Filling my heart with the edibles  
All my friends doing Adderall  
I'm just trying to make it on the honor roll  
Slurring my speech till I said it all  
Filling my heart with the edibles  
It's just that I don't wanna get older, I don't wanna die  
I don't wanna be sober, I don't wanna cry  
I don't wanna get older, I don't wanna die  
I don't wanna be sober, I don't wanna cry

It's funny how it gets so real so fast  
Dreaming of the afterlife or maybe you don't have to die  
I get so scared sometimes, I don't know what's next for me  
Don't know what's gotten into me, an entity  
But need to leave, leave me be

All my friends doing Adderall  
I'm just trying to make it on the honor roll  
Slurring my speech till I said it all  
Filling my heart with the edibles  
All my friends doing Adderall  
I'm just trying to make it on the honor roll  
Slurring my speech till I said it all  
Filling my heart with the edibles

It's just that
