

Not A Love Song

bülow

You're a nice guy
And you're looking for a nice girl to fall for you
For a lifetime
But thats not my vibe
I'm just tryna have fun
You say love is blind
But that's just some bullshit right there
'Cause I'm looking in your eyes
And they're burning fire
Sex on my mind
And that's what you want

Here face to face
And we both know the truth
You're calling my bluff
I can't lie like you do

Wish I could tell you that I love you but I can't
Wish I could call you in the morning but I can't
Oh oh
Wish I could tell you that I miss you but I can't
This is not a love song
I get excited when you kiss me like
When we're body to body like that
Wish I could tell you that I want you more than that
But this is not a love song

Sentimental guy
One of kind
Really boy that's hard to find
But that's not my type
You should find your other side
The apple to your eye
The yin to your yang
The blue to your sky
Your kiss in the rain
The Mary to your Jane
But you should know that's not my thing

Here face to face
And we both know the truth
You're calling my bluff
I can't lie like you do

Wish I could tell you that I love you but I can't
Wish I could call you in the morning
But I can't
Oh oh
Wish I could tell you that I miss you but I can't
This is not a love song
I get excited when you kiss me like
When we're body to body like that
Wish I could tell you that I want you more than that
But this is not a love song

This is not a love song
It's all lies

It's all lies
Fairytale's a waste of time
It's all lies
It's all lies
You know what I want
You know what I like
No need to pretend we'll be happy in the end
No more lies
No more lies
This is not-

Wish I could tell you that I love you but I can't
Wish I could call you in the morning
But I can't
Oh oh
Wish I could tell you that I miss you but I can't
This is not a love song
I get excited when you kiss me like
When we're body to body like that
Wish I could tell you that I want you more than that
But this is not a love song

It's all lies
It's all lies
Fairytale's a waste of time
It's all lies
It's all lies
This is not a love song
You know what I want
You know what I like
No need to pretend we'll be happy in the end
No more lies
No more lies
