

Playing Me Back

bülow

(Yeah)
Oh, you fell in my trap
Just swimming up stream
'Cause we moving too fast
Can't stand on your feet
If I pulled you under then you got too weak

Going back, back down the same roads
Make you spin 'round, 'round and around
I'm just tryna get a little attention
Sh-sh-shake till your heart is breaking
Woo!
Till your heart is breaking
Da, da, da-da-da, da, da, da

How does it feel when I play you?
Pulling on your strings boy, do you like that?
How does it feel?
Gotta say that it don't feel good when you playing me back

Oh, you really got me bad
I'm all out of moves and it's making you laugh
Man, where'd you learn so fast?
Hate to give it to you but I met my match

Going back, back down the same roads
Make you spin 'round, 'round and around
I'm just tryna get a little attention
Sh-sh-shake till your heart is breaking
Woo!
Till your heart is breaking
Da, da, da-da-da, da, da, da

How does it feel when I play you?
Pulling on your strings boy, do you like that?
How does it feel?
Gotta say that it don't feel good when you playing me back

I know the second that you come back
Saying that you need me so and you can't go on
Only one way this goes
You push, I pull and my days all done
