

# Wake Up

bülow

Wake up, wake up  
Wake up, wake up  
You can't stay drunk, stay drunk  
Forever, ever

I'ma make it rain, rain on your parade  
I know the truth hurts but so do your games  
Money, party, drink, then do it all again  
It isn't too late to reach for my hand, ah

'Cause you know I got you for life  
Even if it hurts at times  
I know you're not dead inside  
You've just been awfully sleepy

Wake up, wake up  
Wake up, wake up  
You can't stay drunk, stay drunk  
Forever, ever  
Grow up, grow up  
How you gonna grow up  
If you stay drunk, stay drunk  
Forever, ever?

I'ma make it rain, circle down the drain  
You've gotten pretty far in such an ugly way  
Find someone to blame, until they 'bout to break  
You want them to pick up the pieces you made  
Want them to shut up, get back to the place  
Want the whole world to stop, break their necks  
On their knees if it eases your pain  
Can't you see that's insane?

'Cause you know I got you for life  
Even if it hurts at times  
I know you're not dead inside  
You've just been awfully sleepy

Wake up, wake up  
Wake up, wake up  
You can't stay drunk, stay drunk  
Forever, ever  
Grow up, grow up  
How you gonna grow up  
If you stay drunk, stay drunk  
Forever, ever?

(You and I don't see eye-to-eye)  
(You and I don't see eye-to-eye)  
And I don't wanna fight you  
But I will, yeah, I will if I have to  
I'm done bein', done bein' lied to, ooh  
And I don't wanna fight you  
But I will, yeah, I will if I have to  
I'm done bein', done bein' lied to, ooh

Wake up, wake up

Wake up, wake up  
You can't stay drunk, stay drunk  
Forever, ever  
Grow up, grow up  
How you gonna grow up  
If you stay drunk, stay drunk  
Forever, ever?
